**SUBJECT: ADJUSTMENT OF FEE FOR WITHDRAWN POSTS**

PPSC has amended the online system to address fee-related issues for withdrawn posts. The fee paid by candidates for a post withdrawn by the administrative department will now be automatically adjusted by the system during the next immediate online apply within one year (starting from the date of withdrawal of post).

Please note that the fee for the withdrawn post will be considered and adjusted regardless of whether an application is submitted or not. Therefore, ensure that your application is completed and submitted on time.
